# H E L L O

Welcome to Business Is Blooming.

It all started in late 2020 with a passion for flowers, this soon turned into a career and a business. As a one woman band, I took a risk and left my full time job to focus on floristry, creating mainly commercial bouquets and arrangements. As of 2022, I started venturing into the wedding world of flowers and haven't looked back since...

I offer a free consultation, to talk through your ideas and flower choices for your big day. From there I will work with you to develop your ideas, individual style and to turn your dreams into a reality.

I can offer complete wedding packages, or you can choose individual flower products such as bouquets, buttonholes, table arrangements and venue flowers.

I am so excited to work with you, feel free to ask me any questions you may have, my contact details are below.

*with love,  
Lucy*

# The Flower Journey

# TELL US YOUR DREAMS AND IDEAS

Send an email to [contact@businessisblooming.co.uk](mailto:contact@businessisblooming.co.uk) to let us know your date/approximate wedding date and roughly what you're looking for.

Our florist will get back to you to set up a free consultation either in person or over the phone. This is where we discuss colour palettes, specific flowers, how much to have and where!

When you're happy that we're the one for you, we take a non-refundable £50 deposit to secure your date and send you your very own personalised mood board so you can visualise the day in advance.

A week or so before the big day, we'll contact you to make sure no changes are required and finalise all flowery goods.

## ON THE DAY

We'll be up bright and early to deliver your flowers to the venue/wherever you need them. Ceremony and reception flowers will be set up and ready to go before your guests arrive- we make sure you liaise with any suppliers/event location/ wedding planners beforehand.

If requested, we can send you some pictures to make sure you are 100% happy before drop off.

## WHEN THE PARTY IS OVER

We collect any flowers you haven't taken with you (we always advise family and friends take some blooms home, as well as yourselves, you've paid for them!)

Any flowers we collect will go to a local care home to be enjoyed further.

We kindly ask for a testimonial and photos from the day to help our business grow!
